NEED ASSISTANCE IN

GUIDANCE, PRECISION AG OR SELF-PROPELLED SPRAYERS?

Let our new Sales & Technician Specialist steer you in the right direction.

Josh Cox is a home grown technician. Starting as an Apprentice with *Larwoods Ag Services* & being nurtured & trained by old fashioned technicians who are customer focused & are able to get the job done.

With 12 years experience in all aspects of agricultural machinery, Josh has now elevated to the next level.

Josh is able to provide a solution to you, our valued business partners, in Self-Propelled Spraying Technologies, Guidance & Precision Agriculture.

Josh is available to work with you to map out your future Precision Ag solutions.
